Objective

A productive, driven, and eager software developer who loves to gain new skills and solve problems. I am looking for opportunities to challenge myself and gain experience as a front end and full stack engineer.

Education

Western Governors University - Bachelor of Science in Software Development - Jan 2021

Ivy Tech Community College – Associate of Science in Software Development – July 2018

Elkhart Memorial High School – Class of 2009

Elkhart Area Career Center – Advertising Design – 2009

Work Experience

Lippert Components, inc. - Web Development Intern September 2018 to March 2019

- Used Bootstrap and Bootstrap Vue to add features onto Lippert's Website
- Formatted CSS and HTML to help convert the company to a new main website
- Assisted with testing for bugs on newly developed web pages

Forest River Corporate Office – Order Entry February 2010 to March 2016

- Data Entry, Invoicing, and Order entry
- Working with the company divisions to process orders
- Quality control on RV orders entered by the other members of the department

Honors/Certificates

- Certified Internet Web Professional Advanced HTML5 and CSS3 Specialist - 2019
- Certified Internet Web Professional User Interface Designer - 2019
- Comptia Project+ Certification - 2018
- Technical Certificate in Software Development – 2018
- Certificate in Web Application Development – 2018
- Ivy Tech Dean's List – 2016, 2017, 2018
- Ivy Tech Honors Graduate – 2018
- Phi Theta Kappa Honor Society – 2018
- Elkhart Area Career Center Competency Certificate in Advertising Design – 2009
